- The name(s) of the persons(s) filing the complaint (the complainant)
- Mailing address and phone number of the complainant(s)
- Name of the person(s) or entity alleged to have engaged in discrimination

### Time Frame for Filing Complaints

Complaints must be received no more than 180 calendar days after the alleged incident and must involve allegations of discrimination on the basis of race, color, or national origin to be investigated as an unlawful discriminatory practice under Title VI. FTA may grant an extension.

If Eastern Nebraska Human Services Agency - Duet receives a complaint, Eastern Nebraska Human Services Agency - Duet will submit the complaint to the NDOT Civil Rights Office for review.

## **24.2 Eastern Nebraska Human Services Agency - Duet Title VI Complaint Form**

See **Appendix B** for a copy of the Eastern Nebraska Human Services Agency - Duet Title VI Discrimination Complaint Form.

## **25 List of Title VI Investigations, Complaints, and Lawsuits**

As of the current Title VI Program submission, no transit-related complaints specific to Title VI were filed; therefore, there are no incidents to track or report. Eastern Nebraska Human Services Agency - Duet would use the Complaint and Lawsuit Tracking Form in **Appendix D** to conduct an investigation, receive a complaint, or file a lawsuit alleging discrimination on the basis of race, color, or national origin. Eastern Nebraska Human Services Agency - Duet will report all Title VI complaints to the NDOT Civil Rights Office and FTA.

## **26 Inclusive Public Participation**

The Eastern Nebraska Human Services Agency - Duet public involvement strategy is intended to promote awareness and provide ample opportunity for the public to participate in the Eastern Nebraska Human Services Agency - Duet transportation decision-making surrounding projects, fares and/or service charges, and application for federal operating assistance. Examples include the following:

- Ensuring the timely dissemination of information to the public
- Considering the input and encouraging the participation of underserved groups in the Eastern Nebraska Human Services Agency - Duet transportation decision-making process
- Granting timely public notice and an adequate review period through this process
- Facilitating adequate public review of major project revisions
- Granting the opportunity for the review of proposed and final plans

- Encouraging and documenting public comment

For these purposes, Eastern Nebraska Human Services Agency - Duet will announce and hold a public hearing in the event of a fare increase, major change in service, or capital construction project. Additionally, Eastern Nebraska Human Services Agency - Duet will provide adequate public notice in the event of a vehicle purchase or when submitting an application for state or federal operating assistance funds with no major service changes or fare increases.

For the purpose of definition, a major change or reduction service will include a reduction in total system vehicle-hours of 10 percent or more, the elimination of service in an area with a population of 2,000 or more, the elimination of service on one or more days of the week, or a change in the type of transit service in an area with a population of 2,000 or more. A fare increase will include an increase in single ride fare for any transit service including other fare categories or a decrease in the discount(s) offered for fare categories.

Public hearings will be advertised in a newspaper of general circulation in the geographic area the project will serve at least 15 calendar days in advance of the public hearing, and the comment period will extend 15 days following the public hearing. Notice of hearings will include a concise description of the proposed project and will advertise the availability of translated copies of said hearing notice and/or other publicly released meeting documents in accordance with the Eastern Nebraska Human Services Agency - Duet Language Assistance Plan (LAP). Hearings will be held in accessible locations and at times convenient for public attendance.

Written or verbal comments from the public will be accepted during and for 15 days following the public hearing. These comments will be reviewed as part of the agency's decision-making process surrounding transportation projects.

An agency staff member will record and prepare formal minutes of the public hearing. These minutes will be available to the public on request. Translations of these minutes, as well as other publicly released meeting documents (e.g., announcements, surveys, comment cards), will be made available to members of the public on request. The availability of translated minutes and other public documents will be advertised on the agency's public hearing notice.

## **2.6.1 Summary of Past Outreach Efforts**

Because Eastern Nebraska Human Services Agency - Duet provides services in addition to transportation, it engages in public outreach strategies that differ traditional promotional activities for public transit, including partnerships with local agencies and participation in community events. However, Eastern Nebraska Human Services Agency - Duet will continue to follow the public participation strategy for requests for operating assistance or acquisitions of new technologies, services, or equipment. Reasonable steps will be taken to accommodate LEP persons encountered as a result of this process.

Eastern Nebraska Human Services Agency - Duet personnel report no contact with LEP clients – an estimate that is not supported by the LAP four-factor analysis for the service area but may be representative of the people with intellectual and developmental disabilities that the agency is serving. The agency's current public participation strategy has been reviewed and revised to provide opportunities for meaningful access and participation by LEP persons.

## **2.7 Providing Meaningful Access to LEP Persons**

Eastern Nebraska Human Services Agency - Duet does not provide transportation to the general public; transportation is provided exclusively to people with intellectual and developmental disabilities eligible for services through the Eastern Nebraska Human Services Agency - Duet foundation in

Omaha, Bellevue, Blair, Plattsmouth, Hastings, and Grand Island. Eastern Nebraska Human Services Agency - Duet personnel report that contact with LEP persons is rare. However, the following analysis was completed to inform a LAP that considers the needs of LEP persons who could potentially be encountered by the agency as it administers its programs in the service area.

To facilitate this analysis, 2020–2024 American Community Survey data were analyzed for the agency’s service area to inform the four-factor analysis. The data show that the number and proportion of LEP persons in the service area is low but significant, with approximately 89.1 percent of the population estimated to speak only English. These results and the Eastern Nebraska Human Services Agency - Duet four-factor analysis can be found in **Appendix C**.

## **2.7.1 Service Area Profile Conclusions**

Based on the four-factor analysis, the number and proportion of non-English-speaking LEP persons in the Eastern Nebraska Human Services Agency - Duet area is low but significant, with all four non-English language groups exceeding the Safe Harbor Threshold of 1,000 or more LEP persons or greater than 5 percent of the service area population. As a result, Eastern Nebraska Human Services Agency - Duet has identified a current need to develop additional language assistance measures. However, if staff encounter LEP individuals, employees are trained to respond appropriately and provide meaningful access to services using language assistance resources, as detailed in the LAP.

## **2.7.2 Language Assistance Plan**

Eastern Nebraska Human Services Agency - Duet has access to language assistance resources through publicly available translation applications. If Eastern Nebraska Human Services Agency - Duet holds a public hearing, distributed meeting documents, including meeting minutes, can be translated using these resources. These services can be used whenever in-person or over-the-phone interpretation is required to assist riders. The agency will also take reasonable steps to support LEP individuals who may choose to access its programs and services in the future.

Using NDOT resources, the Eastern Nebraska Human Services Agency - Duet Title VI Notice to the Public, Discrimination Complaint Form, and Discrimination Complaint Procedures Form have been translated into Spanish for public distribution and for posting on the agency’s website.

Additionally, “I Speak” cards will be available at the agency’s main office. These cards allow LEP individuals to quickly identify their spoken language when it cannot be easily determined by staff. This tool will help Eastern Nebraska Human Services Agency - Duet identify language assistance needs as they arise and ensure appropriate support is provided.

## **2.7.3 Monitoring and Updating the Eastern Nebraska Human Services Agency - Duet LAP**

Eastern Nebraska Human Services Agency - Duet understands that language needs will change as the service area population changes. Eastern Nebraska Human Services Agency - Duet will revisit the LAP every 3 years and make appropriate changes. Updates may include the following:

- The number of documented LEP person contacts encountered since the last update
- Description of how the needs of LEP persons have been addressed
- Determination of the current LEP population in the agency service area
- Determination of whether the need for language assistance has changed

- Determination of whether local language assistance has been effective and sufficient at meeting needs
- Determination of whether the agency's available outreach resources are sufficient to supply necessary language assistance
- Determination of whether complaints have been received concerning the agency's failure to meet the needs of LEP persons

## 27.4 Employee Training

Eastern Nebraska Human Services Agency - Duet personnel are required to review the current Title VI Program document and sign a written statement declaring their understanding of their obligation to provide service regardless of race, color, or national origin.

Necessary personnel will be familiar with the agency's procedures for handling a potential Title VI complaint.

Megan Johnson, Transportation Coordinator, has taken part in the Title VI planning and training sessions through NDOT.

Additional resources for employee training include a Title VI training course hosted by NDOT and ongoing Title VI assistance and oversight provided by the NDOT Civil Rights Office.

## 28 Planning and Advisory Bodies

Eastern Nebraska Human Services Agency - Duet does not have a transit-related, non-elected planning board, advisory council, or other committee. In the event such a committee were established prior to Eastern Nebraska Human Services Agency - Duet's next Title VI program submission, the demographic makeup of the planning board or committee would be summarized, as required.

## 29 Equity Analysis to Determine Site or Location of Facilities

Eastern Nebraska Human Services Agency - Duet will complete a Title VI equity analysis during the planning stage for construction projects using FTA funds with regard to where a project is located or sited and to compare the impact of siting alternatives. The purpose of the equity analysis will be to ensure that the determination of the site or location of facilities was made without denying anyone the benefits of the federally funded program or subjecting anyone to discrimination on the basis of race, color, or national origin. Copies of subsequent equity analyses will be included in NDOT's 2029 Title VI Program submission. Eastern Nebraska Human Services Agency - Duet will complete an equity analysis for projects related to facilities, including storage facilities, maintenance facilities, and operations centers. NDOT follows the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.

As of the publication of this Title VI Program Plan, no new location or existing facility upgrade is programmed for the time period of this plan. If one is programmed after approval, it will be amended into this document as an appendix.

## 3 Requests for Additional Information

Eastern Nebraska Human Services Agency - Duet will fully cooperate with any FTA investigation of discrimination complaints to the extent required by Title VI regulations of FTA Circular 4702.1B.

### Eastern Nebraska Human Services Agency - Duet Four-Factor Analysis and Language Assistance Plan

# Eastern Nebraska Human Services Agency - Duet

## Four-Factor Analysis

Eastern Nebraska Human Services Agency - Duet does not provide transportation to the general public; transportation is provided exclusively to people with intellectual and developmental disabilities eligible for services through the Eastern Nebraska Human Services Agency - Duet foundation in the Cities of Omaha, Bellevue, Blair, Plattsmouth, Hastings, and Grand Island in Nebraska. Eastern Nebraska Human Services Agency - Duet personnel report that contact with clients of limited English proficiency (LEP) is rare, with no recent reported contacts with LEP clients. However, the following analysis was completed to inform a Language Assistance Plan that considers the needs of LEP persons who could potentially be encountered by the agency as it administers its programs in the service area.

To facilitate this analysis, 2020–2024 American Community Survey data were analyzed for the agency's service area to inform the four-factor analysis. The data show that the number and proportion of LEP persons in the service area is low but significant, with approximately 81.9 percent of the population estimated to speak only English.

Based on the four-factor analysis, the number and proportion of non-English-speaking LEP persons in the Eastern Nebraska Human Services Agency - Duet area is low but significant, with all four non-English language groups exceeding the Safe Harbor Threshold of 1,000 or more LEP persons or greater than 5 percent of the service area population. However, the agency personnel report that contact with LEP persons is rare. Even so, Eastern Nebraska Human Services Agency - Duet has identified a current need to develop additional language assistance measures. However, if staff encounter LEP individuals, employees are trained to respond appropriately and provide meaningful access to services, as detailed in the Language Assistance Plan, using language assistance resources available through NDOT.

### **Factor 1: The number or proportion of LEP persons eligible to be served or likely to be encountered by the program or recipient**

Eastern Nebraska Human Services Agency - Duet does not provide transportation to the general public; transportation is provided exclusively to people with intellectual and developmental disabilities eligible for services through the Eastern Nebraska Human Services Agency - Duet foundation in Omaha, Bellevue, Blair, Plattsmouth, Hastings, and Grand Island. To estimate the number and proportion of LEP individuals in the service area, data from the 2020–2024 American Community Survey were reviewed. For this analysis, "LEP" is defined as individuals who speak English less than "very well." LEP may also refer to individuals with limited ability to read, write, or understand English.

The following explains the Eastern Nebraska Human Services Agency - Duet service area LEP profile:

- The total number of persons over the age of 5 in Omaha, Bellevue, Blair, Plattsmouth, Hastings, and Grand Island is 602,555.
- Approximately 81.9 percent of this total population speak English only.
- Spanish is the largest non-English language group in the Eastern Nebraska Human Services Agency - Duet service area. This language group is estimated to be 33,598 LEP persons, or approximately 5.6 percent of the area's total population.

- Asian and Pacific Island languages is the second largest non-English language group in the service area. This language group is estimated to be 6,129 LEP persons, or approximately 1.0 percent of the area's total population.
- Other Indo-European language speakers constitute 4,583 LEP persons, or approximately 0.8 percent of the area's total population.
- Other language groups not defined above include 3,586 LEP persons, or approximately 0.6 percent of the area's total population.

### **Factor 1a: How LEP persons interact with the agency**

Eastern Nebraska Human Services Agency - Duet does not provide transportation to the public; transportation is provided exclusively to people with intellectual and developmental disabilities eligible for services through the Eastern Nebraska Human Services Agency - Duet foundation. Any LEP interactions will most likely occur while scheduling or providing transportation.

### **Factor 1b: Literacy skills of LEP persons in their native language to determine whether the translation of written documents will be an effective practice**

No data could be obtained regarding the native language literacy of LEP persons in the Eastern Nebraska Human Services Agency - Duet service area nor does the agency maintain such data at this time. If additional data becomes available, it will be incorporated into future analyses. Based on current resources and practices, the agency does not anticipate significant barriers to service due to literacy limitations.

### **Factor 1c: Whether LEP persons are underserved due to language barriers**

Although there is a significant number and proportion of LEP individuals in the service area, based on the eligible persons that the agency serves and the limited contact with LEP persons, the agency does not anticipate language to be a barrier to accessing services.

### **Factor 2: Frequency of contact with LEP persons**

Based on the current interactions with LEP individuals, the agency does not anticipate language to be a barrier to accessing services.

Eastern Nebraska Human Services Agency - Duet has access to language assistance resources through publicly available translation applications. If Eastern Nebraska Human Services Agency - Duet holds a public hearing, distributed meeting documents, including meeting minutes, can be translated using these resources. The agency will also take reasonable steps to support LEP individuals who may choose to access its programs and services in the future.

Using NDOT resources, the Eastern Nebraska Human Services Agency - Duet Title VI Notice to the Public, Discrimination Complaint Form, and Discrimination Complaint Procedures Form have been translated into Spanish for public distribution and for posting on the agency's website.
